

Enhance your digital presence with HELIX

Exciting Fly Over Aerial Videos and Photos will breathe new life into your website, social media, and overall brand identity without the high price tag of renting a helicopter!

Our professionally produced video and photos of your vineyard will create a more developed brand identity and appeal to the millennial generation who crave and seek out quick and readily available information

COMPANY PROFILE

HELIX is a visual Production Company specializing in aerial drone videography and photography.

PROJECT SCOPE DESCRIPTION

Capture the beauty of your vineyard with high quality Fly Over videos and photography, as well as a wide range of additional package upgrades.

BASIC PACKAGE

Our packages are structured to offer you the perfect media bundle to fit both your needs and budget. The Basic Package includes:

- Fly Over Video of Vineyard
- Aerial Photography of Property

AVAILABLE UPGRADES

- Wine Release Party Videography
- Crush Documentation
- Full visual Production of Tasting Room
- Full visual Production Resort Properties
- Guest Experience Upgrades including #WINEANDFLY

#WINEANDFLY EXPERIENCE

Why just limit the experience and memories to just the tasting room? HELIX can take amazing scenic videos and photos of your clients from new heights and have them instantly sent to their phone and computer to watch and share! Allow your wine fans to remember their time at your vineyard in a unique way!

OTHER PROMOTIONS & SERVICES

- Social Media Consultation & Implementation
- Semi-Annual Media Update & Upgrade
- Website and Brand Design & Development

AND IT DOESN'T HAVE TO STOP ON THE VINEYARD. HELIX CAN GO ANYWHERE!

- Social Events & Reunions
- Real Estate
- Weddings & Engagements ... and so much
